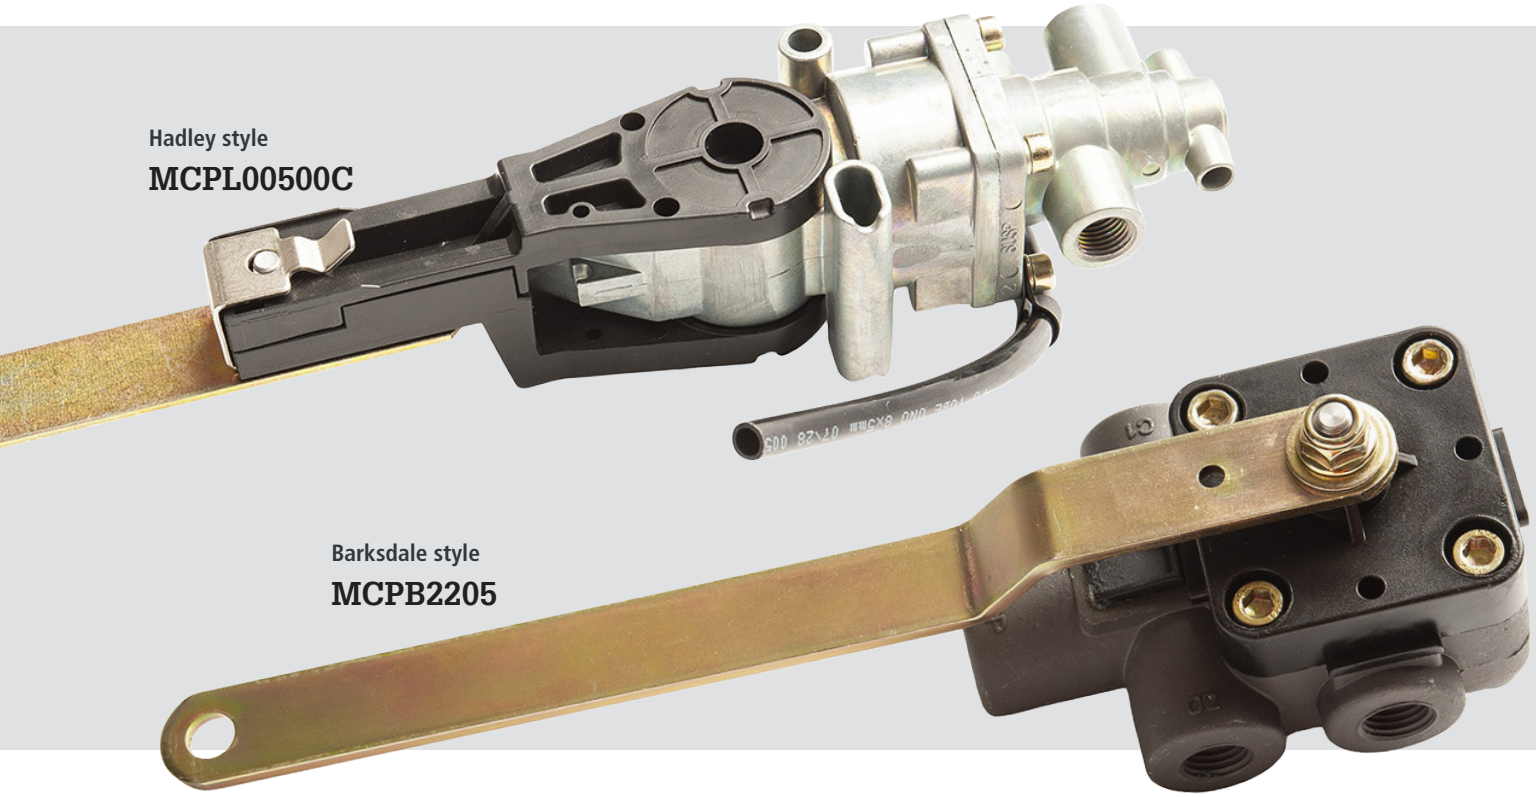
Height Control Valves

MIDLAND By Haldex

The right ride height. The right selection.



Hadley style
MCPL00500C

Barksdale style
MCPB2205

With the addition of the Midland *All-Makes* height control valve (HCV) line, our offering covers a broad range of applications and strengthens Midland suspension capabilities. For more information, contact your Haldex sales representative or visit haldex.com.

- Direct replacements for industry-recognized types
- Immediate-response design reacts instantly to ensure proper ride height throughout use
- Integral dump features (as applicable)
- Designed for use on Cab, Chassis, & Trailer air suspensions
- 100% line tested
- Easy install mounting brackets and hardware included
- Cross-functional linkage kits available in our Haldex line

See cross-functional linkage kits available in our Haldex line.
