### **Haldex Brake Systems wins a multi-year contract for automatic brake adjusters from truck maker in the USA**

---

One of the leading truck makers in the US has decided to standardize on Haldex automatic brake adjuster.

The contract is multi-yearly and by this order Haldex' market share in North America for automatic brake adjusters increases to 50%. Added yearly sales are estimated to 30 MSEK.

Haldex is world-leading in the product area automatic brake adjusters for air actuated drum brake systems on heavy vehicles. This new order is another confirmation of Haldex' leading technical know-how, quality and customer support.

---

The Haldex Brake Systems division is a major supplier to the global commercial vehicle industry of subsystems and components for air brake and air suspension systems.

Haldex is an innovator in vehicle technology and supplies proprietary products for trucks, cars and industrial vehicles on a global basis. The Group is listed on the Stockholm Stock Exchange and has annual sales exceeding 6 billion Swedish Krona with 4,100 employees.

For further information contact Claes Warnander, CEO, or Lennart Hammargren, CFO Haldex AB (phone +46 8 678 72 70).
