Information from Haldex in relation to the on-going public takeover offers

Since there are currently two on-going public takeover offers to the shareholders of Haldex, Haldex would like to remind the shareholders that the Board of Haldex has unanimously recommended the shareholders to accept the offer from ZF of SEK 100.00 per Haldex share, which is clearly superior to the offer from SAF-HOLLAND of SEK 94.42 per Haldex share (the statements by the Haldex Board in relation to the public takeover offers are available at Haldex's website, <http://corporate.haldex.com>). Shareholders who have accepted the offer from SAF-HOLLAND are entitled to withdraw their acceptances not later than 24 August 2016 (information on how to withdraw acceptances can be found in SAF-HOLLAND's offer document, which is available on the following websites: www.safholland.com and www.carnegie.se). The acceptance period of ZF's offer is expected to commence on or around 22 August 2016.
