

Product Change: Release Tool Plug (Dust Plug)

Double Diaphragm Spring Brakes
Gold Seal® (North America & China) • Blue Seal® (Europe)

Starting in January 2011 all Gold Seal® (except 3036 and 3636) and Blue Seal® will have a new Release Tool Plug (Dust Plug). The new plug will be made from the same blue thermoplastic material. Even though the outer diameter is smaller the plug is still easy to install and will stay in place.
