

TTCM - TTCM+ Safe Parking

Innovative Vehicle Solutions

TTCM

With back flow valve

In conformity with ECE R13 Annex 8 - §2.8b*

Pressure protection valve DIN 74279-C 6-22 - Opening pressure 6.2 bar - Closing pressure 5.2 bar

Part no.	Label	Fittings	Pressure protection valve	AM part no.	Notes
352067001	with	without	with	-	
352067011	without	without	with	352067001	
352067021	with	without	without	352067001	with plug on 23,24,25
352067031	without	without	without	352067001	with plug on 23,24,25
352067041	with	with	with	352067001	
352067051	without	with	with	352067001	
352067061	without	with	with	352067001	
352067071	without	with	with	352067001	
352067081	with	with	with	352067001	

Without back flow valve

In conformity with ECE R13 Annex 8 - §2.8b*

Pressure protection valve DIN 74279-C 6-22 - Opening pressure 6.2 bar - Closing pressure 5.2 bar

Part no.	Label	Fittings	Pressure protection valve	AM part no.	Notes
352067101	with	without	with	-	
352067111	without	without	with	352067101	
352067121	with	without	without	352067101	with plug on 23,24,25

352067141	with	with	with	352067101	
352067151	without	with	with	352067101	
352067161	without	with	with	352067101	
352067171	without	with	with	352067101	
352067181	with	with	with	352067101	

With back flow valve

Not conform with ECE R13 Annex 8 - §2.8b* since 2011

Pressure protection valve DIN 74279-C 6-22 - Opening pressure 6.2 bar - Closing pressure 5.2 bar

Part no.	Label	Fittings	Pressure protection valve	AM part no.
352067201	with	without	with	352067201
352067241	with	with	with	352067201

*ECE R13 Annex 8 §2.8b

A reduction in the pressure within the service braking system energy reserve results in a corresponding reduction of the pressure in the spring compression chamber

TTCM+ Safe Parking

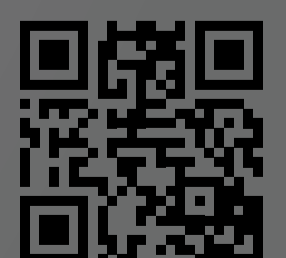

Pressure protection valve DIN 74279-C 6-22 - Opening pressure 6.2 bar - Closing pressure 5.2 bar

Part no.	Label	Fittings	Pressure protection valve	AM part no.	Notes
352067601	with	without	with	-	
352067611	with	without	with	352067601	
352067621	with	without	without	352067601	with plug on 23,24,25
352067641	with	with	with	352067601	

TTCM	Shunt valve (black knob)	Park valve (red knob)	Trailer coupled	Service and park brake	Operation conditions
			yes		parking
			yes		drive position
			no		emergency brake
			no		shunting
			no		parking
			no		Anti-compounding function via EBS DCV.

TTCM+ Safe Parking	Shunt valve (black knob)	Park valve (red knob)	Trailer coupled	Service and park brake	Operation conditions	Notes
			yes		parking	
			yes		drive position	
			no		emergency brake / parking brake/released via DCV	
			no		shunting	
			no		parking
