Today’s diesel engines demand peak clutch torque at low RPMs. Haldex has the solution...Torque Monster. Up to 2,250 ft-lb torque ratings. Why simply match OE specifications when you can exceed them with the Torque Monster from Haldex?

- All new pressure spring
- All new levers that are a matched set
- All new adjusters
- Resurfaced pressure plates & center plates
- Cross hatch grind insures a great contact surface with the Torque Monster clutch discs
- All new Torque Monster discs
