

New Push-Pull Hostler Valve added to the Haldex Line Up

Haldex has added a new version of the Manual Push-Pull Hostler Valve. The new valve offers a heavy duty stem (7/16-20 UNJF) and a solid brass knob. This new stem and knob combination is designed for heavy duty applications where harsh environments and stressful physical conditions exist.

New Design

Part Numbers OE N14488AR
A/M KN20012

Brass Stem 7/16" - 20 UNJF

Solid Brass Knob

Current Design

Part Numbers OE N14488R
A/M KN20011

Brass Stem 1/4" - 28 UNF

Solid Brass Knob

New Repair Kit - Part Number RN31BY

Contains three o-rings, heavy duty piston, brass knob and grease. This kit can be used to upgrade a current standard valve into a heavy duty version.
